Explanatory Memorandum

Introduction

This Explanatory Memorandum is provided to Shareholders of Platina Resources Limited ABN 25 119 007 939 (**Company**) to explain the Resolutions to be put to Shareholders at the Annual General Meeting to be held at 11.00am (Brisbane time) on Tuesday, 30 November 2021 at the offices of HopgoodGanim, Level 7, Waterfront Place, 1 Eagle Street, Brisbane Qld 4000.

The Company's Annual Report is placed before the Shareholders for discussion. No voting is required for this item.

1. Resolution One – Re-Election of Chris Hartley as a Director

1.1 Background

Rule 39.6 of the Company's Constitution and ASX Listing Rule 14.4 requires a Director (excluding Directors appointed to fill casual vacancies or a Managing Director) shall not continue in office for a period in excess of three years or until the third AGM following his/her appointment, whichever is the longer, without submitting himself/herself for re-election.

Dr Chris Hartley retires by rotation at the AGM in accordance with Rule 39.6 of the Company's Constitution and ASX Listing Rule 14.4 and, being eligible, offers himself for re-election as a Director.

1.2 Dr Hartley's qualifications and experience

Dr Hartley was appointed as a Non-Executive Director on 1 January 2017 and was re-elected at the Company's 2018 annual general meeting.

Details of Dr Hartley's qualifications and experience are available in the Annual Report, on the Company's website and are summarised briefly below.

Dr Hartley worked with Bloom Energy as Technical Director Strategic Materials for five years and prior to that, held roles with BHP Billiton and its predecessor Billiton International as well as working as an independent consultant. His roles have been based in the UK, the Netherlands, India, USA and Australia.

Dr Hartley does not hold any shares in the Company, however he holds 2,000,000 unlisted options (exercisable at \$0.08 expiring on 16 October 2022).

1.3 Directors' recommendation

The Directors (with Dr Hartley abstaining) recommend that you vote in favour of this Ordinary Resolution.

2. Resolution Two - Remuneration Report

2.1 General

The Remuneration Report is set out in the Directors' Report section of the Annual Report. The Annual Report is available to download on the Company's website, www.platinaresources.com.au.

The Board has submitted its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding advisory resolution in accordance with section 250R of the Corporations Act.

In summary the Remuneration Report:

- explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the Company;
- explains the relationship between the Board's remuneration policy and the Company's performance;
- sets out remuneration details for each Key Management Personnel; and
- details and explains any performance conditions applicable to the remuneration of Key Management Personnel.

The Board believes the Company's remuneration policies and structures as outlined in the Remuneration Report are appropriate relative to the size of the Company, its business and strategic objectives and current and emerging market practices.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting.

2.2 Voting restrictions on Key Management Personnel and their proxies and Closely Related Parties

There are restrictions on members of the Key Management Personnel and their Closely Related Parties and their proxies voting (in any capacity) on Resolution Two, details of which are set out in the voting exclusion statement included in Resolution Two of the Notice of Meeting.

Shareholders should be aware that any undirected proxies given to the chair will be cast by the chair and counted in favour of the Resolutions the subject of this Meeting, including Resolution Two, subject to compliance with the Corporations Act. In exceptional circumstances, the chair may change his/her voting intention on any Resolution, in which case an ASX announcement will be made.

2.3 Directors' Recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.

3. Resolution Three – Ratification of prior issue of Xanadu Project Shares

3.1 Background

In April 2021, the Company entered into a conditional agreement to acquire a 100% interest in the Xanadu Gold Project (**Xanadu**) located in the Ashburton province in close proximity to the multi-million ounce Mt Olympus gold deposit explored by ASX-listed Kalamazoo Resources Limited (ASX: KZR) (see www.kzr.com.au). Xanadu comprises seven prospecting licences and five exploration licences covering 498km².

Key terms of the Xanadu Gold Project Acquisition include:

- On settlement of the transaction on 22 June 2021, the Company paid \$300,000 in cash and issued 12,735,849 Shares to the Xanadu Project Vendors (which are the subject of this Resolution Three);
- At the twelve month anniversary of the Sale and Purchase agreement, the Company has an Option to extend the agreement by issuing a further \$925,000 of Platina ordinary shares priced at 5.3c per share to the Vendors. If the option is not exercised the vendors can buy the tenements back for one dollar;
- A milestone payment of \$200,000 on reporting of a JORC (2012) Mineral Resource of 100,000oz of gold;
- A 1% gross gold royalty is payable on any gold produced from the Prospecting Licenses and a further 1% net smelter royalty payable on all the tenements. Platina can buy back 50% of the net smelter royalty for \$1 million; and
- If tenements E 52/3763 and E 52/3764 are not formally granted, Platina can reduce the final share consideration by \$125,000 per tenement.

This Resolution seeks the approval of Shareholders pursuant to Listing Rule 7.4 of the issue of 12,735,849 Shares (**Xanadu Project Shares**) to the Xanadu Project Vendors, under ASX Listing Rule 7.1.

3.2 General

Resolution Three seeks the approval of Shareholders in accordance with Listing Rule 7.4 for the issue of Xanadu Project Shares to the Xanadu project vendors. The Xanadu Project Shares are fully paid ordinary shares and rank equally with all other existing Shares on issue.

3.3 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that 12 month period.

The Xanadu Project Shares do not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies a previous issue of securities made or agreed to be made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1, and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

Ratification by the Shareholders of the Company of the Xanadu Project Shares is now sought pursuant to Listing Rule 7.4 under Resolution Three in order to reinstate the Company's capacity to issue up to 15% of its issued capital under Listing Rule 7.1, if required, in the next 12 months without Shareholder approval, to the extent of the Shares.

The effect of this Resolution Three is that the Company, for the purposes of Listing Rule 7.1 will be able to refresh its 15% placement capacity with effect from the date of the Meeting, to the extent of the Xanadu Project Shares that have been issued to the Xanadu Project Vendors.

If Resolution Three is passed, the Xanadu Project Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Resolution Three is not passed, the Xanadu Project Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

As part of this transaction, the Company agreed, subject to completion of legal and technical due diligence and execution of a detailed Sale and Purchase Agreement to issue Attgold Pty Ltd 2,000,000 shares (**Attgold Shares**) as a fee for introduction and advisory services related to the acquisition of the project.

4.2 Listing Rules 7.1 and 7.4

A summary of Listing Rule 7.1 and 7.4 is set out in section 3.3 above.

If Resolution Four is passed, the Attgold Shares will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Resolution Four is not passed, the Attgold Shares will be counted toward the 15% limit pursuant to Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

4.3 Information for Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, the Company advises:

4.4 Directors' recommendation

The Directors recommend that you vote in favour of this Ordinary Resolution.

5. Resolution Five – Renewal of Performance Rights Plan

5.1 Introduction

Pursuant to Resolution Five, the Company is seeking Shareholder approval for the continued issue of securities under the Company's Performance Rights Plan and approval for any potential future issues of securities pursuant to the Performance Rights Plan as an exception under Listing Rule 7.2, Exception 13(b) which would enable securities issued under the Rights Plan over the next three years to be excluded from the calculation of the number of securities issued for the purposes of Listing Rules 7.1 and 7.1A.

The key features of the Performance Rights Plan are set out in Annexure A to this Explanatory Memorandum.

5.2 Background and Reasons for the Performance Rights Plan

The Company first adopted the Performance Rights Plan in 2012 and shareholder approval has been obtained at the annual general meetings held in November 2015 and 2018.

Pursuant to this Resolution, the Company is seeking Shareholder approval for the continued issue of securities under the Company's Performance Rights Plan as an exception to Listing Rule 7.1 which would enable securities issued under the Performance Rights Plan over the next three years to be excluded from the calculation of the number of securities issued for the purposes of Listing Rule 7.1.

The Company conducted a review of its remuneration policy which has resulted in the Company, in conjunction with the use of options, to adopt the Performance Rights Plan, which will allow the Company to grant different types of appropriately structured performance-based awards to eligible senior management, employees and contractors, depending upon the prevailing circumstances and having regard to market practices generally.

The Performance Rights Plan is designed to provide incentives to eligible participants, including the employees and Directors of the Company who hold a salaried employment or office in the Company, and to recognise their contribution to the Company's success. Under the Company's current circumstances the Directors consider that the use of Performance Rights are a cost effective and efficient incentive for the Company as opposed to relying solely on alternative forms of incentives such as the issue of options, cash bonuses or increased remuneration. To enable the Company to secure and retain key personnel who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Performance Rights Plan is designed to achieve this objective by encouraging long term engagement with the Company and continued improvement in performance over time and encouraging personnel to acquire and retain an interest in the Company.

The Performance Rights Plan provides for the issue of Performance Rights which, upon a determination by the Board that performance conditions attached to the Performance Rights have been met, will result in the issue of one ordinary share in the Company for each Performance Right granted.

A summary of the terms of the Performance Rights Plan is set out in Annexure A of this Explanatory Memorandum.

5.3 ASX Listing Rules

Subject to certain exemptions, ASX Listing Rule 7.1 prohibits a company from issuing or agreeing to issue equity securities equivalent in number to more than 15% of its issued capital in the 12 month period immediately preceding the date of the issue or agreement, without the approval of its shareholders. As a result, any issue of securities by the Company to eligible employees under the Performance Rights Plan would reduce the Company's 15% capacity to issue Shares under Listing Rule 7.1.

Exception 13(b) of Listing Rule 7.2 however, allows the Company to issue securities under the Performance Rights Plan without the issue of such securities being counted towards the Company's 15% issue capacity under Listing Rule 7.1, where Shareholders have approved the issue of securities under the Performance Rights Plan as an exception to Listing Rule 7.1 within three (3) years prior to the issue of the securities. Resolution Five is being put to Shareholders for this purpose and will allow the Company to utilise Exception 13 (b) of Listing Rule 7.2 for three (3) years from the date of the Resolution being passed.

For the purposes of Exception 13(b) of Listing Rule 7.2, the Company advises that:

- (a) a summary of the terms of the Performance Rights Plan is set out in Annexure A to this Explanatory Memorandum;
- (b) no securities have been issued under the Performance Rights Plan since the date of the last approval of the scheme by Shareholders;
- (c) it is proposed that a maximum of 21,500,000 equity securities will be issued under the scheme following the passing of this Resolution and the Company notes that it is not envisaged the maximum number of securities for which approval is sought will be issued immediately; and
- (d) a voting exclusion statement is included in the Notice of Meeting.

5.4 Further Considerations

The Company believes that it will derive a significant benefit by incentivising eligible participants, including senior management and key employees, through the issue of Performance Rights under the Performance Rights Plan. Additionally, the Company believes it to be in the best interests of the Company to preserve the maximum commercial flexibility to issue Shares that is afforded to it by Listing Rule 7.1

5.5 Outcome of voting for and against the Resolution

If the Resolution is passed, the Company will be able to over the next three years take advantage of Exception 13 of Listing Rule 7.2 to issue shares under the Rights Plan without the issue of such securities being counted towards the Company's 15% issue capacity under Listing Rule 7.1.

If the Resolution is not passed, the Company will not be able to take advantage of Exception 13 of Listing Rule 7.2, and will not be able to issue shares under the Rights Plan without either reducing the Company's 15% issue capacity under Listing Rule 7.1 or obtaining further shareholder approval for each issue of shares.

5.6 Directors' Recommendation

The Directors recommend that you vote in favour of this Ordinary Resolution.

6. Resolution Six – Approval for the Company to issue an additional 10% of the issued capital of the Company over a 12 month period

6.1 Introduction

The Company is seeking Shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to Listing Rule 7.1A. If passed, this Resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**) each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or if the Placement Securities are not issued within five trading days of that date, the date on which the Placement Securities are issued) (**Issue Price**).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A small and mid cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting, are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the annual general meeting (**Additional 10% Placement**). The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without Shareholder approval over a 12 month period pursuant to Listing Rule 7.1. The Company may issue the Placement Securities to raise funds for the Company. Funds raised from the issue of Placement Securities, if undertaken, would be applied towards:

- Exploration activities on the Company's mineral interests;
- Assessment of any future mineral property opportunities;

- Assessment of any other investment opportunities; and
- Ongoing future working capital purposes.

6.2 Listing Rule 7.1A

(a) General

(1) Eligibility

An entity is eligible to undertake an Additional 10% Placement if at the time of its annual general meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index.

The Company has a market capitalisation of less than \$300 million and is not included in the S&P/ASX300 Index and is therefore an “Eligible Entity” and able to undertake an Additional 10% Placement under Listing Rule 7.1A.

In the event that the Company for any reason ceases to be an Eligible Entity after the Company has already obtained Shareholders’ approval pursuant to this Resolution Six, the approval obtained will not lapse and the Company will still be entitled to issue the Placement Securities.

(2) Special Resolution

Listing Rule 7.1A requires this Resolution Six to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to Listing Rule 7.1A, no Placement Securities will be issued until and unless this Special Resolution is passed at the meeting.

(3) Shareholder approval

The ability to issue the Placement Securities is conditional upon the Company obtaining Shareholder approval by way of a Special Resolution at the Meeting.

(b) Additional 10% Placement period - Listing Rule 7.1A.1

Assuming Resolution Six **Error! Reference source not found.** is passed, shareholder approval of the Additional 10% Placement under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- (1) the date that is 12 months after the date of the AGM;
- (2) the time and date of the Company’s next AGM; or
- (3) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX.

If approval is given for the issue of the Placement Securities then the approval will expire, on 30 November 2021, unless the Company holds its next AGM or shareholder approval is granted pursuant to Listing Rule 11.1.2 or Listing Rule 11.2 prior to that date.

(c) Calculation for Additional 10% Placement - Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the period of the approval, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

- (1) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
- (2) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (3) plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under Listing Rule 7.1 or Listing Rule 7.4 (but note that this does not include an issue of fully paid ordinary securities under the entity’s 15% placement capacity without shareholder approval); and
- (4) less the number of fully paid ordinary securities cancelled in the 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant period where the issue or agreement has not been subsequently approved by the shareholders under Listing Rule 7.4.

(d) **Listing Rule 7.1A.3**

(1) Equity Securities

Any Equity Securities issued under the Additional 10% Placement must be in the same class as an existing quoted class of Equity Securities of the Company and issued for cash consideration.

The Company presently has 434,382,342 fully paid ordinary shares on issue at the date of this Notice of Meeting.

(2) Minimum issue price

The issue price for the Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

(A) the date on which the price at which the relevant Placement Securities are to be issued is agreed by the Company and the recipient of the Placement Securities; or

(B) if the relevant Placement Securities are not issued within ten trading days of the date in paragraph 4.2(d)(2)(A) above, the date on which the relevant Placement Securities are issued.

(e) **Information to be given to ASX - Listing Rule 7.1A.4**

If Resolution Six **Error! Reference source not found.** is passed and the Company issues any Placement Securities under Listing Rule 7.1A, the Company must:

(1) state in its announcement of the issue or in its application for quotation of the Placement Securities that they are being issued under Listing Rule 7.1A; and

(2) give to the ASX immediately after the issue a list of allottees of the Placement Securities and the number of Placement Securities allotted to each (this list will not be released to the market).

(f) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 434,382,342 Shares. The Company will have the capacity to issue the following Shares on the date of the Meeting:

(1) 65,157,351 Shares under Listing Rule 7.1; and

(2) subject to Shareholder approval being obtained under Resolution Six, 43,438,234 Shares under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described above).

6.3 Specific Information required by Listing Rule 7.3A

(a) **The period for which the approval will be valid - Listing Rule 7.3A.1**

As required by Listing Rule 7.3A.3, the Company will only issue and allot the Placement Securities during the approval period. The approval under Resolution Six for the issue of the Placement Securities will cease to be valid on:

(i) the date that is 12 months after the date of this Meeting;

(ii) the time and date of the Company's next annual general meeting; and

(iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price of securities issued under Listing Rule 7.1A – Listing Rule 7.3A.2**

Pursuant to and in accordance with Listing Rule 7.1A.3, the Placement Securities issued pursuant to approval under Listing Rule 7.1A must be issued for cash consideration and have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 trading days immediately before:

(i) the date on which the price at which the Placement Securities are to be issued is agreed by the entity and the recipient of the Placement Securities; or

- (ii) if the Placement Securities are not issued within 5 trading days of the date in Section 4.3(b)(i), the date on which the Placement Securities are issued.

(c) **Purpose – Listing Rule 7.3A.3**

As noted above, the purpose for which the Placement Securities may be issued include to raise funds for the Company. Funds raised from the issue of Placement Securities, if undertaken, would be applied towards:

- Exploration activities on the Company’s mineral interests;
- Assessment of any future mineral property opportunities;
- Assessment of any other investment opportunities; and
- Ongoing future working capital purposes.

(d) **Risk of Economic and Voting Dilution – Listing Rule 7.3A.4**

As provided by Listing Rule 7.3A.2, if Resolution Six is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 434,382,342 Shares. The Company could issue 43,438,234 Shares on the date of the Meeting if Resolution Six is passed (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 details of which are set out above). Any issue of Placement Securities will have a dilutive effect on existing shareholders.

There is a specific risk that:

- (1) the Market Price for the Company’s Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the meeting; and
- (2) the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company’s Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.2, Table 1 below shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled and the Market Price of the shares has halved. Table 1 also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the Market Price of the shares has:

- (1) decreased by 50%; and
- (2) increased by 100%.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.036	\$0.072	\$0.144
			50% decrease	Issue Price	100% increase
Funds Raised					
Current	434,382,342 Shares	43,438,234 Shares	\$1,563,776	\$3,127,553	\$6,255,106
50% increase	651,573,513 Shares	65,157,351 Shares	\$2,345,665	\$4,691,329	\$9,382,659
100% increase	868,764,684 Shares	86,876,468 Shares	\$3,127,553	\$6,255,106	\$12,510,212

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 434,382,342 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 18 October 2021.
3. The Company issues the maximum possible number of Placement Securities.
4. The above table only shows the dilutionary effect based on the issue of the Placement Securities (assuming only Shares are issued), and not any Shares issued under the 15% under Listing Rule 7.1.

5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
7. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of the issue of Placement Securities, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy – Listing Rule 7.3A.5**

The recipients of the Placement Securities have not yet been determined. However, the recipients of Placement Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties or associates of a related party of the Company.

The Company will determine the recipients at the time of issue, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A - Listing Rule 7.3A.6**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held 30 November 2020 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 30 November 2020, the Company did not issue any Shares under Listing Rule 7.1A.2 pursuant to the Previous Approval.
